WING CONFERENCE COMING UP

The Maryland Wing Civil Air Patrol will hold its annual conference Oct. 31 to Nov. 2 at the Holiday Inn at Timonium Maryland [near Baltimore]. Music has been requested for the reception from about 1800 to 1900 Saturday November 1st. We are not certain about ceremonial music for the banquet, we'll keep you posted. Band members are requested to keep that evening open. This is an important event for Maryland Wing.

EVERYONE RECRUIT ONE

2 Lt. Janet Thompson has produced fine recruitment flyer for our music program. As you know, we badly need to fill out the concert and swing band. Each band member is urged to get printed or electronic copies of the flyer from Lieutenant Thompson and distribute them to potential recruits. A prize [to be announced later] will be given to the person who brings in the largest number of new band members.

FOR THE RECORD

September 10th, marks the 2ND anniversary of the chartering of Chesapeake Bay Squadron 096. This is an important stepping stone to our goal of having bands as recognized units within Civil Air Patrol. Thanks to everyone who has joined the squadron, taken the required training, served as a squadron officer, and participated with us.

Band members and guests are reminded that traffic and parking regulations at the National Naval Medical Center are strictly enforced at all times. Exceeding speed limits, failure to wear seat belts, and other infractions can result in substantial fines. Be careful.
